

August 2020

We hope you are all well and send you greetings from all the staff at Haven Day Centre. The photo above was taken by one of our members on a recent day trip.

REMINDER - Haven Day Centre staff will not be supporting any members on Bank Holiday Monday - 31st August

For the first three weeks of Sept until 17th, staff will be working from home, supporting members in the community. If you need to contact Haven Day Centre during this time, please contact Lisa on 07869 661878.

From 21st Sept, we will be supporting many of our members at Haven Day Centre, whilst continuing to support others at home and in the community. More information on all the above will be sent out in the coming two weeks.

Our next break will be the Christmas holidays, which commence on Mon 21st Dec and we will be closed for two weeks.

We realise this has been a very difficult time for many, as we have all had to do things differently to help prevent the spread of the virus. Staff at the Haven Day Centre have continued to support many of our members, either through visiting their homes or through phone and video calls using Zoom.

We would like to thank care home staff and family members for your patience and flexibility during this time and appreciate all the extra support you have been providing to those you care for. We have missed seeing many of our members and their families and carers and look forward to seeing them again.

We are currently making preparations for many of our members to return to the Haven Day Centre. Our priority is to keep both our staff and our members safe, and so things will be very different from how they were before. We will be producing a video for those returning to the Centre to help you understand what to expect. In the meantime, we wish you all the best and we will keep you updated as things develop.
