

Greetings from all at Haven Community.
We hope that you are all keeping well and staying safe during this time.

This have been eventful year for all of us with lots of changes, including becoming a Charitable Company, Limited by Guarantee. You can see our new logo at the top of this newsletter. We now have 20 members attending the centre between one and four days a week. We currently have a staff team of 9, as well as 2 wonderful volunteers, Juliet and Lynne.

Staffing changes

Steve joined us as a Support Worker earlier this year. Steve has worked in a variety of positions in Social Care and brings a wealth of experience to complement the considerable knowledge of our current staff team.

We also have a new Assistant Support Worker, Ethan, who volunteered at the centre two years ago and has now returned as an employee.

Christmas Activities

Due to the ongoing need to protect our members from any unnecessary exposure to the virus, we have decided to keep our Christmas celebrations within the centre again this year. Members have enjoyed Christmas events in their own rooms with those in their social bubble. We will be sending out a Christmas package to members during the coming week. Once again, we are grateful to the John James Foundation, who have provided funding towards our Christmas activities.

Warm Clothing

Please ensure that you wear suitable warm clothing on the minibuses when you attend the Centre, namely a warm coat. We do have some blankets and two of our newer minibuses have secondary heating which is very effective. However, this is no replacement for wrapping up warm, especially when walking to and from the minibuses.

**Wishing all our readers a Very Happy Christmas
and for peace and good health in 2022**
